

Just a short note to say congratulations on a well organised tournament from the parking right through to handing the medals out at the end. All our players, coaches and parents had a really great day.

Could you also pass on a big well done to the referees who reffed the games on pitches 2 and 3 with maturity. How refreshing to see some young referees who have obviously played the game before, using common sense and taking time to mentor the younger players.

We will look forward to next years tournament where hopefully you will have ordered some better weather lol

Good luck for the coming season, yours in football.

Just a quick note to say that our team, had a really great day today. All the players and parents just had so much fun and as coaches we found it really interesting to play against teams outside of our usual area.

Thanks for such a well organised and fun tournament.

i would just like to take moment to thank you for a great tournament, my boys really enjoyed it, it was a fabulous experience for them and they cant wait for another.

thanks again
